

Dear Parent/Guardian,

I am excited to extend the invitation to your child to participate in the Journey Mentoring Program. Journey Mentoring Program has been in operation for more than 5 years under New Birth Community Development. As you read more about our program, please note that space is limited and on a first come, first served basis.

About our Program:

Journey Mentoring Program (A program of New Birth Community Development), promotes and teaches responsibility for youth ages 10-18. The program consists of group sessions and 1:1 mentoring, sessions concentrate on a specific aspect of the passage through adolescence to adulthood. This takes place through highly interactive activities. Each youth who participates in the program is issued their own journal to note and keep track of their personal journey of maturation and growth. **Journey Mentoring Program** represents a targeted effort to engage youth in discussions and activities that reinforce positive behavior.

Goal: To provide a program for youth that will offer the knowledge necessary to develop and improve decision-making skills, communication skills and build positive self-esteem.

Mentors: Mentoring will take place via “small group mentoring”. All mentors for the Journey Mentoring Program have been properly cleared through background checks and screening processes. All mentors have been specially trained to conduct small group mentoring through New Birth Community Development.

Sincerely,

Monica Thrower
